

Plans for this week: July 28 - August 1

The focus for this week is on transverters, with the goal being a summary document after the San Bernardino Microwave Society meeting on August 7th.

Other areas of research for this week are feeds, sources, and use cases.

Welcome to the Microwave Engineering Project development email list! Thanks for joining. Please forward this email to anyone you think would be interested in the development of the project.

Send updates and work proposals to w5nyv@yahoo.com
