

Plans for this week: 8 December – 12 December 2008

1. Complete revision 5 of the Station Discovery Document.
2. Release revision 0.3 of the MEP Air Interface.
3. Expect the first transverter boards from the San Bernardino Microwave Society to arrive. Update list with communications with designer.
4. Learn more about the ARCHES project.
5. Check in with uWSDR project and see how GEMMA is doing.
6. Design MEP logo, Team Air Interface badge, and Baseband badge.

Welcome to the Microwave Engineering Project development email list! Thanks for joining. Please forward this email to anyone you think would be interested in the development of the project.

Send updates and work proposals to w5nyv@yahoo.com
